

MANAGER, HEALTH, SAFETY AND WELLNESS (CONTINUING)

The Maple Ridge - Pitt Meadows School District (SD42) is seeking qualified applicants interested in the above exempt position on a full-time continuing basis as part of the District's Human Resources Department. Reporting to the Director, Human Resources, the Manager, Health, Safety and Wellness ensures that all District worksites provide a healthy and safe work environment for all staff and are in compliance with all WorkSafeBC (WCB) legislation, regulations and guidelines. In addition, this position oversees the District's Disability Management Programs, including accommodation processes, wellness initiatives and the District Emergency Response Program.

QUALIFICATIONS:

- Graduation from Human Resources, Occupational Health and Safety or related program plus a minimum of five years' experience in Occupational Health and Safety and/or Disability Management or an equivalent combination of training and experience with a multi-site unionized employer (K-12 public education experience would be an asset)
- Thorough knowledge of Human Rights legislation, WorkSafeBC Safety and Regulation, Occupational Health and Safety Regulation, Workers Compensation Act, safe work procedures and co-managing the Emergency Response Program
- Demonstrated track record of managing both occupational and non-occupational disabilities and return to work initiatives, accident investigations, and worksite inspections
- Superior communication, interpersonal and management skills with the ability to problem-solve and build effective working relationships
